WINTECHCON is a forum for Women Technology Leaders to present their work in emerging technology areas. The conference is managed by senior women technologist from leading companies in the space semiconductor and electronic systems.

WINTECHCON 2024 returns as an in-person event and will be the fifth edition of the conference. It is organized in partnership with IEEE CAS (Circuits & Systems Society) Bangalore Chapter, IEEE Bangalore Section and IEEE WIE (Women in Engineering) Council Bangalore. The theme for this year conference is "**Accelerating Chip Design in the Era of More-than-Moore**".

As the only event of its kind in India, WINTECHCON offers unique opportunities to raise your brand awareness among women leaders in the semiconductor ecosystem. The event features keynotes by industry leaders and visionaries, peer-reviewed papers by technical experts, research papers by academia, and unparalleled networking opportunities.

Cadence is proud to be the host and Platinum sponsor of Wintechchon 2024.
