

A premier gathering of women technology leaders shaping the future of semiconductor and electronic systems innovation

The background of the banner features a futuristic cityscape at night with glowing blue lights. Overlaid on this are several circular icons: a house with a circuit board, a smartwatch, a globe with a signal tower, a Wi-Fi symbol, and a hand holding a glowing sphere. The overall theme is technology and innovation.

ABOUT THE CONFERENCE WINTECHCON 2026

Empowering Innovation: From Intelligent Silicon to Global Ecosystems

WINTECHCON is a forum for Women Technology Leaders to present their work in emerging technology areas. The conference is managed by senior women technologists from leading companies in the space semiconductor and electronic systems.

WINTECHCON 2026, an in-person event and will be the seventh edition of the conference. It is organized in partnership with IEEE CAS (Circuits & Systems Society) Bangalore Chapter, IEEE Bangalore Section and IEEE WIE (Women in Engineering) Council Bangalore. The theme for this year conference is **“Empowering Innovation: From Intelligent Silicon to Global Ecosystems”**

As the only event of its kind in India, WINTECHCON offers unique opportunities to raise your brand awareness among women leaders in the semiconductor ecosystem. The event features keynotes by industry leaders and visionaries, peer-reviewed papers by technical experts, research papers by academia, and unparalleled networking opportunities.

Marvell is proud to be the host and Platinum sponsor of WINTECHCON 2026. Be part of this path-breaking event by sponsoring WINTECHCON 2026
